Welcome to Trinity Christian School. You have enrolled in a school that is well known for quality Christian education. We are so honored that you are part of a journey toward excellence.

God is calling churches across America to build Christian schools. Trinity Ministries has accepted this call, acknowledging a great price to pay, but believing the reward will be well worth the effort. The next generation will be different if the people of God today will point a new direction.

The vision of Trinity Christian School is an extension of our vision for the entire ministry (see pg 3). We believe TCS should be an atmosphere of “truth and grace that effectively and authentically communicates Jesus.” In practical terms, students will attain academic tools in a spiritual atmosphere by which they may become outstanding leaders in our society.

The solemn responsibility of partnering with parents for the nurturing of young people is one which we fully realize. Under God, we will do our best to serve your educational needs in an uncompromising spiritual format.

The guidelines offered in this handbook are helpful to establish the environment in which the educational and moral values can most effectively be imparted. These pages establish the parameters and expectations by which parents and educators may meet the needs of students.

I am confident that your decision to enroll at Trinity will result in a wonderful advance for your family. Have a joy-filled year.
It is a pleasure and a blessing for us to present our school to you. The Lord has given us a mandate to teach our children based on God’s Word and according to godly principles. Our desire is to see our students grow according to Psalm 1:3, “And he shall be like a tree planted by the rivers of water that bringeth forth his fruit in his season […] And whatsoever he does shall prosper.”

Our young people are a gift from God, and we at Trinity Christian School are endeavoring to provide excellence in every area of our school. From our academics, to our athletics, Fine Arts, and chapels, we are challenging our students to be all that the Lord has meant for them to be and to do it for His Glory. It is our desire that if you share in this vision for your young person, you will allow us the privilege to partner with you in preparing your student for tomorrow’s world.
MISSION STATEMENT

Trinity Christian School provides a complete educational experience in a spiritual atmosphere, based on a biblical worldview, enabling students to become outstanding leaders in society.

VISION STATEMENT

- To form a partnership with believing parents in order to establish our children with a total biblical worldview
- To help train up a generation of godly leaders who love learning and are sought after for their wisdom
- To prepare students spiritually, academically, and in accordance with their God-given potential, enabling them to handle the rigors of life with courage

STATEMENT OF FAITH

The following truths are held in common agreement by members of Trinity Christian School:

I. We believe the Bible to be the inspired and only infallible authoritative Word of God.

II. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.

III. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

IV. We believe that for salvation of the lost and sinful man, regeneration by the Holy Spirit is absolutely essential.

V. We believe in the present ministry of the Holy Spirit who enables Christians to live a godly life.

VI. We believe in the resurrection of both the saved and lost; that they are saved unto the resurrection of life, and that they are lost unto the resurrection of damnation.

VII. We believe in the spiritual unity of believers in our Lord Jesus Christ.
PHILOSOPHY

We present, without apology, the whole truth about Jesus Christ as He is revealed in His Word in every area of the program.

We strive for the full development of each student, drawing from resources within and without the school.

We believe learning is a natural, exciting process involving struggle and discovery, disappointment and satisfaction.

We value the hard work and extra effort needed to lead a student to excellence not otherwise attained.

We teach a complete educational experience in a spiritual atmosphere integrated with the aesthetic, physical, and spiritual which includes a full athletic program and fine arts department.

We seek committed and caring professionals for our faculty and staff.

We seek students with intellectual promise from diverse backgrounds and value energy, enthusiasm, imagination, curiosity, creativity, and a sense of humor.

We emphasize the value and dignity of individual spiritual needs, understanding and respecting the diverse beliefs represented in the TCS community while exposing students to the Christian tradition.

HISTORY

Founded in 1981, Trinity Christian School is the oldest and largest Christian school in South Dallas. TCS was founded by the Trinity Church Board of Trustees who had a vision to provide the finest liberal arts education in a Christian environment to the youth of our community. For over twenty years, the school has remained true to the goal of its founders. Our doors are open to families in the surrounding communities who desire their children to learn and grow in harmony with the Word of God. TCS is a nonprofit organization governed by a board of trustees from our sponsoring church.

Being a Christian school means we assist parents in fulfilling their divine responsibility to thoroughly train each child to obey God in every area of life and make him or her a true disciple of Jesus Christ. The program is designed to challenge students of good moral character who are in the middle to upper range of academic ability.
GENERAL INFORMATION

SCHOOL HOURS

VISITORS
Any person coming on campus during office hours (7:30-4:30) to visit or observe a class must check in with the Preschool welcome station. Visitors must have a visitor’s badge before entering the classroom.

No visitors or parents may smoke inside any school building.

We ask that no pets be brought on campus unless pre-arranged.

Adult visitors are a model to the students and should dress conservatively and modestly.

PARENT CONFERENCES

Conferences may be scheduled by parents, teachers, or the principal. All conferences are scheduled directly with the teacher unless otherwise indicated.

STUDENT INFORMATION
In order to maintain accurate communication between home and school, it is vitally important that parents notify the school immediately of any changes in address, phone, custody, etc. Student progress is released only to the persons having legal custody.
PARENT RESOURCE ORGANIZATION (PRO)
The Parent Resource Organization (PRO) is a parent and faculty/staff volunteer support organization established to serve the needs of TCS. The purpose of the PRO is to assist the school in its mission to train Christian leaders. The involvement by parents in the education of their children is vital. All parents are encouraged to support and participate in the PRO.

SAFETY

The Superintendent will make a determination as to school closings or delayed openings due to inclement weather by 5:00 a.m. The following TV and radio stations will be notified:
- TV Channel 5 (NBC)
- TV Channel 8 (ABC)

Fire, tornado, and lock downs drills will be conducted for Preschool on a regular basis.

ADMISSIONS POLICIES

Admission to TCS is open to any young person who meets the entrance requirements regardless of race, color, national origin, or ethnicity. All students must conform to the Christian standards set forth in this handbook in order for TCS to provide an atmosphere that is safe and conducive to learning.

Admission to TCS will be determined by the following:
- Preschool Screening
- Previous school records (i.e. academic performance, discipline records)
- Pastoral reference
- Completely Potty Trained (see requirements)

HEALTH RECORDS

In accordance with state law, parents are required upon admission of their child to submit an immunization record, a listing of special health needs, and the name of the child’s physician. Failure to comply will constitute reason for suspension.

ACCEPTANCE

After review of the enrollment application and entrance evaluation results, an interview will be scheduled with a school administrator. No interview can be scheduled until all the following have been completed in full and submitted along with the appropriate registration fees:
1. Completed Application Packet with appropriate fees
2. Birth Certificate
3. Immunization records
4. Previous school records
5. Pastoral reference

The interview will be held with at least one parent and the prospective student(s). The student is not enrolled until all interviews, test results, and previous school clearances are completed. Final decisions regarding acceptance will be made after the interview. Each student applying for admission will be
considered on his/her own merit and not according to religious affiliation, race, or ethnic background. Parents will be notified by letter of their student’s acceptance status within a week of the interview.

**Attendance at TCS is a privilege, not a right.**

**RE-ENROLLMENT**
Students who are presently enrolled in the school are given first opportunity to re-enroll for the following school year. Eligibility to return will be evaluated each year. Re-enrollment is not complete until the student is approved by the administration and has received written notification of acceptance. Administrative decisions will be based on the following:
- No more than one “F” in a core subject as a year-end average
- Acceptable conduct

**ACADEMICS**

**CURRICULUM**
At Trinity Christian School, young children are exposed to a variety of skills and learning experiences. The school realizes that children absorb and acquire the skills for which they are developmentally ready and respond to educational experiences that stimulate learning in all developmental areas – physical, social, emotional, and cognitive. The curriculum prepares children for the academic expectations of the middle and high schools by providing the following academic and enrichment classes:

<table>
<thead>
<tr>
<th>Bible</th>
<th>Penmanship</th>
<th>Music</th>
</tr>
</thead>
<tbody>
<tr>
<td>Phonics</td>
<td>Physical Education</td>
<td>Art</td>
</tr>
</tbody>
</table>

**COMMUNICATION FOLDERS**
Communication folders are required for students in Preschool. Each student will receive a communication folder the first week of school. These folders are designed to give students and parents an outline of what material will be covered in the upcoming week and are especially useful if a student must miss school. Communication folders are the primary means of communication between the school and home regarding a child’s homework, tests, and general progress. Students will be provided with a Communication Folder at the beginning of the year. Lost or damaged folders may be replaced for $1 payable at the Preschool Welcome Station.

**REPORT CARDS**
A formal evaluation will be sent home at the end of the 2nd, 3rd, and 4th quarter for each student in K3 and K4.

**ATTENDANCE**
In order to receive the full benefit of an education, a student must attend class. Students who miss class also miss out on first-hand instruction from the teacher and class discussion. It is impossible to make up for missing this interaction and the student’s education suffers. Without a doubt, regular and punctual attendance is the greatest single factor in school success. A student who is frequently absent handicaps himself/herself in being successful in school. Students with good attendance are more apt to achieve higher grades, enjoy school, and learn the responsibility necessary for independence and success later in life. Parents are encouraged to make sure their students are faithful in attending school.
SCHOOL SPIRIT
Spirit wear is made available throughout the school year for purchase. Spirit Day is every Friday throughout the year. Students are encouraged to wear spirit clothing.

Students earning the status of Super Tiger (a reward for good behavior) may wear official Trinity sports wear jeans, or uniform pants. A notice will be sent home prior to Super Tiger Friday notifying parents that their child has earned this privilege.

Elementary Discipline Procedures (Grades PK3- PK4)

Goals and Objectives:
The discipline procedures of Trinity Christian School are designed to create an atmosphere in which spiritual and academic goals can be met enabling students to become outstanding leaders in society. The following principals shall apply to all disciplinary actions taken by the school and its representatives.

1. All disciplinary actions must be redemptive rather than punitive in nature.
2. All disciplinary actions must be governed by principles and instructions contained in the Bible.
3. All disciplinary situations must be addressed in a consistent and judicious manner.

Like a city whose walls are broken down is a man who lacks self-control. Proverbs 25:28

The following constitute severe behavior and the student will immediately be referred to the principal:
1. Talking back to the teacher in a disrespectful way
2. Harmful actions-fighting
3. Using God’s name in vain, profanity
4. Damaging school property

Discipline at school will be most effective if families and faculty are united by God’s wisdom and authority over every circumstance that arises. We realize that total agreement in every situation is unrealistic, but if we agree to pray over every situation, discipline will have a positive impact. All disciplinary actions will be redemptive in nature.

All information regarding disciplinary action is private in nature and will be discussed with the individual student’s parents and teacher.

It is our belief that discipline is not to be punitive but redemptive. At the preschool level every attempt is made to create a warm and nurturing environment. Our objective is to teach the skills that will enable the students to become self-controlled and self-motivated individuals.

Aggression Policy

Aggression will be identified as behavior that includes actions such as hitting, biting, using aggressive language or hurting another person which may or may not be provoked. In the event of aggressive behavior, parents will be notified with an incident form outlining the nature and severity of the behavior. Parents are required to sign and return the incident form.

Within a 9 Week Period

• 1st Incident- Parents will be notified (in writing) the same day the incident occurs.
• 2nd Incident-Parents will be called in addition to being notified in writing.
• 3rd Incident- Parents will be called to come to school and perform disciplinary action and take the child home for the remainder of the day.  
**Special Note:** A meeting will be held with the classroom teacher, parent, and elementary principal to discuss behavior interventions being used at home as well as at school.  

• 4th Incident- Parents will be notified to pick up the student and the student will be suspended for 3 days from attending class. A written notification will be given to parents that any further occurrences will result in expulsion from school.  

*In severe circumstances, the elementary principal has the authority to override this policy and immediately suspend or expel a student from school.*

- A $25.00 late fee will be charged per invoice per student.

Completed applications, along with required documentation and registration fees, must be received by deadlines that will be published. Financial Aid applications cannot be submitted if the student’s account is not current.

Discount & Financial Aid Awards
Awards for discounts and financial aid will not be applied until all applications are submitted with required documentation and awards are not retroactive.

Student Removal from Class
Accounts not current by 4:00 p.m. on the 10th of each month, or by the next school day as in the case of after school late pick-up and drop-in fees, will result in the generation of a list of students who will be refused admission to their respective classes. As a courtesy, a removal slip will be sent home by the student informing the parent/guardian that the account is past due and the student may not attend until the account is current.

Important Note: The removal slip is a courtesy only and does not excuse sending a student to class when the account is past due. You should stay informed on the status of the account.

Students sent to school in disregard of this “no attendance” policy will be kept in the school office or other area deemed appropriate by the administration. An additional charge of $15.00 per hour will be assessed to your account as a “drop-in” fee until arrangements are made to pick up the student. These charges will be added to the balance that must be paid prior to re-admittance.

The student must have a return slip from the school office to present to their teacher before they will be allowed to attend class. Be sure to request this return slip, one for each student, when you make your payment.

Returned Checks presented to the School office
You will receive notification after a check has been presented twice for payment and has still been returned for any reason. A $50.00 fee will be added and payment will be received only by money order or cashier’s check within five (5) days of notification. A student’s account will be placed on a “Money Order or Cashier’s Check Only” status for the remainder of the school year when one (1) check has been returned for NSF or other non-payment reasons.

After School Late Pick-Up and Drop-In Fees
Students picked up after 6:05 p.m. are considered late pick-ups and will be charged $1.00 per minute, per student. All fees for late pick-ups and drop-ins must be paid on a daily basis at the time of pick-up or at the latest, the following morning when the student is brought to school or an additional charge will be assessed on your billing. Daily receipts will be given for drop-in fees for tax purposes. There will be a $25.00 fee to re-add a student on an Extended Care contract after discontinuing. Please refer to the section entitled “Student Removal From Class”, which also applies to the non-payment or late payment of these fees.
HEALTH SERVICES

In the summer, parents are told to anticipate the following forms and, if possible, have them completed by the start of school.

MEDICAL RELEASE FORM
This form provides for a student to be medically treated in an emergency situation when away from the Cedar Hill Area, or when the parent is otherwise not present. Parents are required to submit an annual Emergency and Field Trip Permission Form.

HEALTH PROBLEMS
Parents are encouraged to discuss any specific needs personally with the Health Services Coordinator.

If your child has a specific health need (hypoglycemia, seizures, asthma, diabetes, insect allergy, sickle cell anemia, etc.) that information must be identified on the medical release form as well as specific measures to follow in the event an incident occurs. If the measure to counter the illness involves the administration of medication, (Glucagons, Adrenalin, Benadryl, etc.) please send this medication, properly identified, with the physician's instructions. It will be refrigerated for the school term and returned at the end of the year. If a mid-day snack is necessary, please alert the school secretary so that necessary arrangements can be made.

Any student or employee with a major communicable disease, for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability. Students and employees with a communicable disease for which immunization is not available shall be excluded from school while ill and during recognized periods of communicability. If the nature of the disease and circumstances warrant the school may require an independent physician’s examination of the student or employee to verify the diagnosis of major communicable disease. TCS reserves the right to make all final decisions necessary to enforce its major communicable disease policy and to take all necessary action to control the spread of such diseases within the school.

ACUTE ILLNESS OR ACCIDENT
Parents should not send their student to school if they:
- Are Regurgitating
- Have temperature of 100 or above
- Have and suspected to have a minor contagious condition, such as, impetigo, ringworm, pinkeye, lice, flu, etc.
- Have not sufficiently recovered from an illness.

If a child becomes acutely ill at school, parents will be notified to pick up their student from school. If the parents cannot be reached, those individuals identified on the emergency medical data sheet will be contacted. Please make sure that all pager, cell phone, work numbers are current on your Emergency contact form. In the event of an emergency, TCS will attempt to call parent first, then notify proper medical assistance.
A student who has a temperature of 100°F or above is considered too ill to attend class and the parent will be notified. He/she will be allowed to stay in the school office until they can be picked up, however due to lack of facilities to care for a large number of students, we ask that the child stay no longer than one hour. Occasionally a child will sustain injury, which may continue to manifest symptoms after the school day. When these are noted, a call may be placed to the parent to let them know to continue to observe the child at home.

Please note that a student MUST be fever free, without medication, for 24 hours before returning to school.

MEDICATIONS

All medication, prescription or over-the-counter, may be administered only if the medication is in its original container and the Health Services Coordinator has a written request from the parent. If the student will be on the medication longer than a 15-day period, the school must also have a statement from the doctor to keep in the school files. The prescription medication container must have this complete data:

- Name of student
- Name of MD, DO, or Dentist
- Medication name and number
- Instructions for administration

This policy is based upon state law and requires your cooperation for compliance. Please do not send the medication in an unlabeled plastic bag. Your child needs the required medication, and in order for them to receive it, it must be labeled as specified. When you purchase your medication at the pharmacy, request an additional container, and then send the medication that will be required for the school period in the labeled container.

Students are not permitted to keep medications of any kind at school. Any exceptions to this must be discussed with the Health Services Coordinator and approved by administration.

VISION AND HEARING SCREENING

State law requires that vision and hearing screening be conducted for K-4, and all new students. This must be done within the first semester of enrollment. If your student has not already been screened by a physician, school screening will be performed during the month of October.

SECURITY

In order to provide a safe and secure environment for all students, TCS will provide regular monitoring of certain areas of our school campus through man patrols and video equipment. Outside services such as InterQuest Canines and the Guardians System may also be used to assist in assuring a safe and secure environment.

REQUIREMENTS FOR POTTY TRAINING

We require all children attending preschool to be toilet trained.

We understand occasional accidents occur, however, please know that we are not equipped to handle daily accidents.

We will allow for an adjustment period the first two weeks of school.

Our definition of toilet trained:

*Verbal communication, using words to express the need to go to the bathroom.

*Toileting, cleaning themselves on their own without teacher assistance.

*Manage clothing independently, physically capable of pulling down and up pants, changing their own clothes (teacher will aid with shoes, snapping buttoning, zipping).

*Remain dry during and after napping.

*Getting on and off toilet independently.

*Pull-ups are not allowed.

If frequent accidents are occurring, the child is not meeting the established criteria for TCS Preschool.

Please note that if a child is past the two week adjustment period upon starting school, and has more than one accident per month, you will be notified of their suspension until they are completely toilet trained according to our expectations.
